You've seen your online gallery, now what?! Let's talk about the next steps in your session experience!

STEP 1: COMPLETE YOUR DOWNLOAD

Just click the "Download" button on the top right corner of your gallery & enter your download code {this was given to you in the email.} All of your gallery images will be instantly downloaded to your computer. *Easy peasy!*

IMPORTANT: Be sure to back your images up! It is recommended to save your files in three locations {such as, your hard drive, an external hard drive and DropBox.} You'll want to enjoy these photos for years to come, so please keep them safe! Also, there is no guarantee that your images will be saved past the expiration date of your gallery, so please complete this step in a timely manner.

STEP 2: LET'S GET THOSE IMAGES OFF OF YOUR DEVICES & INTO YOUR HOME!

Your photos are meant to be shared and loved. I believe in tangible printed art that fills your home and your soul. Let's get those images off your devices & into your home, where they can be appreciated & remembered!

I am pleased to offer you a selection of luxurious portrait art products. From stunning gallery wrap canvas to high gloss vivid metals, from swoon-worthy storyboards to our keepsake Signature Album - each product is hand crafted for my clients to enjoy for years to come - and it's all available to you through your online gallery! Bonus: These premiere products will take your home decor to the next level!!

A sample of my premiere products are included on the following pages. You can see everything that is available via your online gallery. To begin, hover over an image in your gallery & click the cart icon.

TIP: Click those tiny gray arrows next to the product prices to get more info & sample pictures of a product!
